

- Avoid riding alone and make sure your snowmobile is in good working condition.
- If you need to set out alone, alert others of your route and have a safety plan in place in the event of an emergency.
- * Always check the weather forecast.
- Carry a first-aid kit, emergency kit and repair kit.
- * Do not overload your snowmobile and do not carry more than one passenger.

- Never ride while impaired by alcohol or drugs.
 - Dress warmly and wear proper snowmobile clothes and protective gear including a helmet.
 - Stay alert and avoid frozen water bodies.
 - Stay on the trail, do not speed and follow other riders at a reasonable distance.
- Always come to a complete stop before carefully crossing roads.
- Exercise extra caution at night.
